**RENEWED PETITION UNDER 37 CFR.1.136(a)**

Dear Sir,

In response to the Decision on Renewed Petition to Withdraw the Holding of Abandonment from USPTO dated February 10, 2006, the applicant submits herewith the Renewed Petition under 37 CFR.1.181 as follows:

After searching and noting the status (abandonment) of my application though USPTO website-Patent Application Information Retrieval following several telephone calls made to USPTO, I, the applicant hereby contend that the office action was never received from USPTO, and petition to withdraw holding of the abandonment for the above referred application.

I, the applicant also confirm that the correspondence address was in fact at P.O. Box No.6-57, Junghe, Taipei 235, Taiwan, R.O.C. during the time period the Office Action was supposed to mail in accordance with the mail date June 04, 2004 as indicated in USPTO website-PAIR.

According to the local agent at applicant's correspondence address who would have checked and handled the office communication routinely on every week, a thorough search and investigation of the file jacket and docket records has been done indicating that the Office Action in question was not, in fact received from USPTO. Also, a showing of the docket records that serves as a reminder of a response due date as provided by the local agent is enclosed with the renewal petition.

As questioned by the Office of Petition in the Office Communication regarding the differences in correspondence address changed from "Junghe" to "Chung-Ho", I wish to explain that in fact, "Chung-Ho" and "Junghe" are applied to the same meaning if translated into mandarin Chinese language and as a result, either "Chung-Ho" or "Junghe" is directed to the same correspondence address.

The reason why the spelling for the correspondence address is different from time to time is because the local governments in different counties here in Taiwan adopt different spelling system, which is used to cause confusion, particularly for the spelling of correspondence address.

In order to avoid misunderstanding from USPTO, the correspondence address has been changed back from "Chung-Ho" to "Junghe" for each page as submitted herewith in Renewed Petition.

In view of the evidence adequately supported, grant of the petition and also re-mail of the Office Action is respectfully requested.

I hereby declare that we have firsthand knowledge and all statement made herein are true and that all statements made on information and belief are believed to be true.
